Program Title		“Creating High Performance Teams”	
Hours	3 - 5	Presentation Format:	Microsoft PowerPoint & Video
Course Description		Good teams build involvement, improve communication and cooperation, and generate innovative business solutions. They streamline decision making and expand competencies. But this ideal is sometimes difficult to achieve. It’s not easy to create and motivate a productive team.	
Highlights		This program, with an accompanying video, provides specific guidelines for team management. It will help you set clearly defined goals and use inspirational but focused leadership. It will also model for team members both what to expect from teams, and what it is that the teammates can expect from each other.	
Special Points		Participants will learn to: <ul style="list-style-type: none"> • Identify appropriate team projects • Select the right team participants • Nurture teams through development stages • Define team members’ roles and responsibilities • Help build team identity • Contribute more effectively using skills learned in this program
